Dear Sir/Madam,

Sub: Registration for the purpose of Foreign Accounts Tax Compliance Act (FATCA)

- 1. The Government of India has informed PFRDA vide communication dated December 31, 2014 that as per the FAQ published on the US Internal Revenue Service (IRS) website, Foreign Financial Institutions (FFIs) in Model 1 jurisdictions need to register with the US IRS and obtain a Global Intermediary Identification Number (GIIN) before January 01, 2015, or at the earliest, in order to avoid withholding. The FFIs who have registered but have not obtained a GIIN should indicate to the withholding agents that the GIIN is applied for. The FAQ published on the IRS website (updated as on December 22, 2014), is placed as Annexure to this circular and is also available at: http://www.irs.gov/Businesses/Corporations/Frequently-Asked-Questions-FAQs-FATCA--Compliance-Legal#IGA.
- All PFRDA intermediaries who maintain US reportable accounts, as defined in the Model 1 Inter-Governmental Agreement, may take action appropriately. Information on the IGA is available at: http://www.treasury.gov/resource-center/taxpolicy/treaties/Pages/FATCA.aspx.

Announcement 2014-38 provides Announcement 2014-38 provided that the continues demonstrate toadditional time to sign the IGA, does payee as a registered 2015?

Added: December 22, 2014

that a jurisdiction that is treated as if change the requirement in the chapter it has an IGA in effect, but that has 4 regulations that for payments made not yet signed an IGA, retains such on or after January 1, 2015, in order for status beyond December 31, 2014, withholding not to apply, a withholding jurisdiction agent may treat a reporting Model 1 firm FFI as a registered deemed-compliant resolve to sign the IGA that was FFI only if the withholding agent has a agreed in substance. Given this withholding certificate identifying the a reporting Model 1 FFI in such a compliant FFI and the withholding jurisdiction need to register and certificate contains a GIIN for the obtain a GIIN before January 1, payee that is verified in the manner described in those regulations. Thus, to avoid withholding on certain payments made on or after January 1, 2015, a reporting Model 1 FFI should register and obtain a GIIN to properly certify its status to a withholding agent required to document the FFI for chapter 4 purposes. A reporting Model 1 FFI that has registered but not yet obtained a GIIN should indicate to its withholding agent that its GIIN is "applied for," and in such case, the withholding agent will have 90 days from the date it receives the Form W-8 to obtain a GIIN and to verify the accuracy of the GIIN against the published IRS FII list before it has reason to know that the payee is not a registered deemed-compliant FFI.

> Announcement 2014-38 similarly does not change the timing of any other due diligence and reporting requirements in the chapter 4 regulations.
